

# A Question of Flour

Every family uses more or less flour, but a large number are not getting the full value of their money in return in both quantity and quality of bread they make from flour they use.

Now Pillsbury's best flour will make more bread than a great many more flours and much better bread too; you will get from four to seven more loaves from a sack of Pillsbury's best flour than from a sack of ordinary flour. It is and has been for years the standard of all Spring Wheat flours. If you are not using Pillsbury's best flour, try a sack and you will be convinced that these statements are facts. Bread made from Pillsbury's best flour, retains its moisture and does not dry out; a test will prove it. 24 lb. sacks \$1.00.

## BLACK HAT WINS MONDAY HANDICAP

Jack Atkin Again Fails to Come Back and May Quit.

Jack Atkin cannot come back. The old purse winner of the Schreiber stable made a game effort in the handicap Monday, but he did not have the steam that had carried him to victory in the past under all kinds of weight, distance and weather conditions. The race Monday will probably close the old horse's career as he is to be retired to the training farm of the Schreiber stables.

It was left for Black Hat, an outsider, to win the handicap after the old favorite had failed. Black Hat was easily outrun in the first part and Seth, leading into the finish after Jack Atkin had surrendered. Black Hat came on like a flash and caught Jockey Benshoten napping on Seth. The mate just did get up and was a winner by a head.

Springfield, O., March 28.—"Battling" Schultz, of Toledo, broke a leg in the eighth round of a scheduled 20 round bout here last night. The men were fighting at close quarters when Schultz fell.

After he was counted out it was discovered that his right leg was broken below the knee. His opponent was Tommy Bresnahan, of Omaha.

**CANNOT SANCTION SUNDAY BASEBALL.**  
Bisbee, Ariz., March 28.—Although there is every probability of a city baseball league of four teams being organized, it will not have the backing of the local Y. M. C. A. because of practically all games being scheduled to be played on Sunday. It is possible that some assistance may be given the teams in organizing, but this would be unofficially. Secretary Davis has stated that there is no possibility of the Y. M. C. A. aiding or abetting Sunday ball playing, which seems to be the final word upon the subject.

**POOL.**  
A pool tournament will open at the Cactus club Tuesday night. The schedule will run one match around and the players who are entered will draw for position. The game to be played is the tournament will be rotation pool, with five games to the match.

The wound is not considered serious.

## HOPE OF WHITE RACE FIGHTS SCHRECK

Oklahoma Engineer Will Battle for Supremacy in the Ring.

Sapulpa, Okla., March 28.—Sapulpa awaits the word of the referee to "let 'er go." Everything is in readiness for this afternoon for a 15 round fight between Carl Morris of Oklahoma, the "hope of the white race," and Mike Schreck of Cincinnati. If Morris wins, his friends declare he will be the logical man to meet Jack Johnson for the championship. If he loses, he will go back to his overalls and his railroad engine.

Yesterday's population in this town was 10,000. Today it is double that. Every train brought hundreds of fight followers. No Schreck money is in sight. Ten to one are laid on Morris to win; five to one that he will win within 10 rounds; two to one that he will win in five.

The gate receipts probably will exceed \$25,000, of which the fighters get 40 percent.

**SAPULPA TRIES TO RIVAL RENO, NEV.**  
The Morris-Schreck Scrap Draws Big Crowd to Oklahoma Town.

Sapulpa, Okla., March 28.—Eliminating open saloons and gambling halls, Sapulpa looks much like Reno did last July 3. For this is a town where the Carl Morris-Mike Schreck battle. Of course the match will not be a championship affair nor anything like one, but it is the biggest fight Morris has engaged in and that is quite enough to make all Oklahoma stand on tiptoe and attract much attention from every part of the United States.

The arena in which the battle will be held seats approximately 12,000 persons and practically every seat is sold. The fight is scheduled to begin at 4 o'clock this afternoon and go 15 rounds. The betting is four to one that Morris will win, two to one that he wins within 10 rounds and even money that Schreck takes the count before five rounds have been fought. And there is plenty of Morris money in sight. Few are backing Schreck at any odds. Morris will weigh 245 pounds when he enters the ring. Schreck weighed a trifle more than 200 today. He appears to be carrying extra flesh. In most of his fights he has trained down to 180 pounds.

**HILDRETH STABLE TO GO TO ENGLAND.**  
Famous String Will Probably Be Sold After Pimlico Meet.

New York, March 28.—The pick of the Hildreth racing stable, including the great Fitzhugh, winner of last year's Brooklyn handicap, will likely be shipped to England shortly, according to indications today. S. C. Hildreth, owner, it is understood, expects to see his thoroughbreds at Pimlico meeting and then, if the jockey club's decision to hold no race meets in New York stands, to send them abroad for disposal. Jockey Shilling will probably go to England to ride if Hildreth horses are sent to that country.

**RED SOX SEND GIRLS' LOVE NOTES TO WIVES.**  
And Now They Are Trying Hard to Prepare Alibi When They Reach Home.

Home from Western Tour. Twenty-five miniature boxes of oranges are speeding eastward and 25 Red Sox baseball players here today are preparing 25 alibis that can be relied on to demand, sound and convincing enough to assuage the wrath of 25 wives or sweethearts.

For be it known that Patsey Donovan's representatives of the Hub of the Universe in the national pastime as exemplified by the American League are "in" very bad, or, at least, will be when the 25 boxes of oranges arrive at their respective destinations.

The Boston Red Sox, who glory in the title of "regulars," have been harnessed in the California orange belt as part of their pre-season training stunt. Recently they played at Pomona and Pomona was glad to welcome the big leaguers and prepared a brass band and other marks of their esteem.

One of the big orange shippers decided to pay a neat little compliment to the ball players and he had 25 special boxes prepared and packed with the choicest fruit. The girls in the packing house learned of the plan and each fair maiden decided that it was a chance to give the little god of romance an opportunity to get in some very fine work.

But what do you suppose those Red Sox did? Instead of each opening his particular box and devouring the fruit and incidentally the note, they as one man marched to the express office and sent the oranges to wives and sweethearts in the east.

Later the story of the notes leaked out and now there are 25 uneasy wearers of the carmine hose who are hoping that something will happen to a particular express car between Pomona and the east.

**COUNTED OUT IN SEVENTH.**  
Cleveland, O., March 28.—Frankie Madden, of New York, was counted out in the seventh round of his scheduled 10 round fight with Phil Knight of
